

**Charge**  
**Equal Employment Opportunity/Affirmative Action Committee**  
**UW-Stout**

Serve in an advisory capacity, through the Affirmative Action Officer, to the administration of the institution on equal employment opportunities and affirmative action needs and concerns, and to assist the Affirmative Action Officer in developing and implementing related programs.

Committee members are to represent a cross-section of university groups (faculty, academic staff, limited appointments, classified personnel, and students). The members should have a real interest in equal employment opportunities and affirmative action and should represent the concerns of women, minorities and handicapped persons. Committee members should be trained in, or be provided training in EEO/AA issues.
