

GOT CHANGE? WHO YA GONNA CALL?

We're calling on our best person for the job: YOU. We're interested in your ideas and thoughts about innovation in the ASLS Division. You've read about our challenges and opportunities in the ASLS newsletters. Now we're extending an open invitation to YOU to help us identify innovative ideas:

1.) What are ***your*** innovative ideas for your department and our division?

2.) What ideas do you have to make your job easier, streamlined, and more effective?

You belong to which Unit: Budget, Planning & Analysis Business & Financial Services Health & Safety
