Date: 9/21/2010   Session: 5th   Forty-First Congress

Moved by: Vice President Steele  
Second by: President Lubke

USS 41.05.02

Name of the Resolution: SSA Support for Undergraduate Research

Resolution:

WHEREAS: The University Student Senate of the Stout Student Association represents all students of the University of Wisconsin Stout, and,

WHEREAS: Undergraduate research should be included as part of the Stout signature experience, and,

WHEREAS: Undergraduate research would enhance student engagement and their intellectual development, and,

WHEREAS: Undergraduate research would broaden opportunities for students by strengthening resumes and better preparing students for graduate school, and,

WHEREAS: Undergraduate research would represent high-end student engagement and increase the quality of a Stout degree.

THEREFORE BE IT RESOLVED: The Forty-First Congress of the University Student Senate of the Stout Student Association supports the integration of undergraduate research as a requirement for the achievement of any Bachelor’s degree as per recommendation of the Creative, Unique, Research Experiences, or C.O.R.E.
Resolution:

- Passed
- Tabled for
- Tabled indefinitely
