# STOUT FIRST LEGO LEAGUE (FLL) REGIONAL TOURNAMENT

Saturday, November 4

***Sport for  
the Mind!***

*...to create a  
world  
where science and  
technology are  
celebrated...where  
young people  
dream of  
becoming science  
and technology  
heroes.*

## Highlights

- ◆ 2006 FLL Challenge is  
“Nano Quest: Exploring existing sciences at  
the molecular level”
- ◆ Design, build, and program robots
- ◆ Use the LEGO MINDSTORMS™ technology  
(RCX or new NXT)
- ◆ Research challenges facing today’s  
scientists, engineers, and technologists
- ◆ Learn teamwork skills

Plan to be one of the participants in the 2006 Stout FLL Regional Tournament. FLL is the FIRST Lego League and FIRST is “For Inspiration and Recognition of Science and Technology.” Put together your team now and register (beginning May 15) at the following websites:
