

WE CARE

Dear Parent or Guardian :

Sometimes when our burdens get too heavy the simple words “We Care” can be a real lifesaver. Send your scholar words of encouragement, support and concern through one of our We Care packages.

The University of Wisconsin-Stout Dining Service is offering the We Care package for our dining plan holders. Upon reviewing the enclosed material, you will discover a variety of ways to send a We Care package and message to your scholar. You may use this service for a birthday, a special anniversary, to encourage study or simply as a reminder that you care.

University Dining guarantees that fresh, high quality products and your personalized message will be available to your scholar for pickup at their Residence Hall front desk on the requested date. To order, you may choose from one of the following three methods:

1. Mail in your order. For mail in orders return the enclosed order form with your check, money order, or credit card information in the envelope provided. Be sure to include one of the personalized greeting cards with your message.
2. Call 715-232-1577 Monday through Friday 8am to 4:30pm
3. Go Online at www.uwstout.edu/dining/we_care

When ordering, be sure to note the desired delivery date you would like the We Care package delivered. You may specify the date of any Monday through Friday during the school year. Note: deliveries will not be made on days where school is not in session, i.e. break periods, check calendar on reverse side. Allow one week for mail delays and/or processing.

Enclosed you will find a post card to have us send We Care information to others who care and may want to take advantage of this opportunity. We hope this service will provide you with an avenue to express your support and love while your scholar attends UW-Stout.

Sincerely,
University Dining Service Staff

P.S. “We Care” is the only service of this nature that is sponsored by the University. Private parties may attempt to leave you with the impression that they are University related when they are not.
