Subj: Senate of Academic Staff response regarding the Dunn County Community Visioning Project

Chancellor Sorensen,

As you know, Juliet Fox, Director of the Dunn County Community Visioning Project, gave a presentation to the Joint Senates meeting in February and asked the senates to pass a resolution of support for the project. We thank Ms. Fox, a distinguished Academic Staff member on our campus, for taking the time to address this issue with us.

The Senate of Academic Staff has discussed the resolution which was drafted for our consideration at two meetings this semester. At our March 20, 2007 meeting, the Senate of Academic Staff agreed to take no action on this matter. It was noted that both you and Provost Furst-Bowe were listed on the DCCV Project Steering committee and we have every confidence in you and the administration of UW-Stout to decide Stout's appropriate level of involvement, support, and commitment for this initiative.

Please feel free to call on me if you need any additional information about our discussions.
