Application for Admission or Enrollment
Admission

General Information
UW-Stout has established minimum admission requirements that must be fulfilled by all applicants. See the Graduate Bulletin for general regulations. Students seeking a degree or certification should consult with the program director of their proposed major regarding possible additional requirements and earlier deadlines for submission of credentials. The Graduate School will refer you to the appropriate program director upon your request. Students seeking WI DPI certification should contact School of Education at 715/232-4088. Our web address is http://www.uwstout.edu/grad/.

Admission to a Degree or Certification Program

Deadlines
Applications for graduate admission or enrollment and supporting credentials should be filed with the Graduate School at least 30 days in advance of the term to which you are seeking admission or by the deadline for that major. It takes a minimum of 30 days before a decision can be made. For majors with a deadline, notice of decision will not be sent until after the deadline. (See page 6 for application deadlines.)

Application Materials
Applicants must satisfy the requirements of their proposed major in addition to the requirements of the university. In order to be considered for admission, applicants must submit the following items to the Graduate School:

1. A Completed Application Form
   All items are to be completed with a ball point pen or typewriter. Be sure to complete “Educational and Professional Goals” on the back. Be sure to complete all items on the form. Submit form to:
   Graduate School
   University of Wisconsin-Stout
   PO Box 790
   Menomonie, WI 54751-0790

   Once your application is received and entered on our database, you will receive an acknowledgement e-mail which will explain how to use Access Stout on-line to check your application paperwork status.

2. Graduate Application Fee
   A check or money order for $56, made payable to UW-Stout must accompany your application. Your Application for Admission will not be processed until the application fee has been received. This is a non-refundable fee and is not applicable to any other university fee or bill.

3. Official Transcripts
   Applicants need to submit one official transcript that shows the bachelor’s degree awarded, plus all transcripts showing any graduate work attempted and/or completed. If the bachelor’s degree transcript shows grades for less than 55 semester credits or the equivalent in other units, then one transcript from your other schools will be required. Some programs may require submission of all transcripts; Industrial/Technology Education is one of them.

   The applicant should request the registrar(s) to send the official transcript. An applicant may submit an official transcript providing it bears no restrictive statement. UW-Stout transcripts need not be requested. An applicant applying prior to being awarded a degree must submit a transcript which shows work through all but the last term. Such applications are subject to re-evaluation based upon the final transcript. In rare cases, an applicant may submit an attested copy of the transcript.

   To be regarded as official, transcripts must bear the impression seal of the institution and of the registrar.

   Please take special note that you are responsible for requesting transcripts. Transcripts become a permanent part of UW-Stout files and will not be returned.

   Have transcripts sent to:
   Graduate School
   University of Wisconsin-Stout
   PO Box 790
   Menomonie, WI 54751-0790

   Work-in-Progress If you are currently working toward a baccalaureate degree, you must submit current official transcripts with your application. It is possible to be admitted tentatively, pending the receipt of a final official transcript showing the degree award.

4. International Students — Additional Requirements
   In addition to other application materials, international students must arrange to have an official TOEFL score report sent directly to the Graduate School by the Educational Testing Service. A Declaration of Finances form (available from the Graduate School office or online at: http://www.uwstout.edu/intlstu/is_dof.pdf) must be completed indicating sufficient financial means to support yourself during your study here. Send these documents to the Graduate School.
5. Additional Program Requirements

Master's programs:
The following programs have application forms in addition to those required by the Graduate School. Programs may require letters of recommendations and/or interviews. If you have questions about the completion of those materials, contact the program director.

Applicants to the Masters in School Counseling, and School Psychology programs submit additional program materials to:

The Graduate School
University of Wisconsin-Stout
PO Box 790
Menomonie, WI 54751-0790

Applicants to the Applied Psychology, Education, Family Studies and Human Development, Marriage and Family Therapy, Mental Health Counseling, and Vocational Rehabilitation programs:

Submit additional program materials directly to the Program Director and direct questions about receipt of those materials to him/her.

Program applications can be found at the following website: http://www.uwstout.edu/grad/apply.html.

Education Specialist programs:
Submit the items indicated directly to the Program Director and direct questions about receipt of these materials to them also.

Career and Technical Education applicants must submit a current dossier listing all pertinent biographical and educational data and two letters from administrators or supervisors who can provide evidence of at least two years of successful teaching experience and professional promise.

School Psychology applicants must submit a portfolio documenting their proficiency in seven of the 11 domains outlined in School Psychology: A Blueprint for Training and Practice II.

Notification
After the application is processed, you will be notified of the decision by letter. If you are accepted for graduate study, brief registration instructions will be included in the admission letter.

Your admission is valid only for the term indicated in your letter. If you are admitted but do not enroll, you generally must re-apply. For questions or further information, contact the Graduate School.

Non-Degree Seeking (Special Student) Enrollment Acceptance
To obtain permission to register as a non-degree seeking student (also called a graduate “special student”) you must submit the Application for Admission or Enrollment completed through the signature line on the front. Non-degree seeking students must have earned at least a bachelor's degree from an accredited four-year institution and indicate so on the application form. No application fee is required.

The materials should be submitted 30 days prior to the first planned registration. You will be notified by mail of your acceptance status.

Change of Major
If you are currently admitted to the UW-Stout Graduate School (degree program or certification) and decide to change programs, you must complete a new Application for Graduate Admission or Enrollment, but the application fee will not be required. You will not be required to furnish transcripts or other credentials that are on file in the Graduate School, but you should check the AccessStout site or consult with the office to be certain that your records are complete.

Additional Major
Those who have or will have completed a graduate degree in one major and wish to work on a second (Master's or Education Specialist) must complete a new Application for Graduate Admission or Enrollment form and submit with the $56 application fee.

Transfer of Graduate Credit
It is possible to transfer graduate credit to UW-Stout. This is done at the point of degree candidacy. See Graduate School policies at http://www.uwstout.edu/grad/grpolicy.pdf.

A Request to Transfer Credit form must be filed for course(s) for which transfer is requested. This form requires both the program director approval and subsequent Graduate School approval, and is available from the Graduate School or online at http://www.uwstout.edu/grad/rtc.pdf. Only graduate work which will apply to the degree program can be transferred.
Completing the Application Form

Section A: Important Addresses

1. Applicant's Address
   If you are married, please include your maiden name. If you are commonly called by another name, please list that name also.
   Your permanent home address is where you live and have established residency. Do not use a post office box number.

2. Former Addresses
   List any other addresses where you have lived in the last two (2) years. If more space is needed, complete on a separate sheet and attach to the application. If this is the same address as Section A, number 1, then indicate "same as above."

3. Parent's Home Address
   Your parents' address may help you establish that you are a resident of Wisconsin and therefore eligible for resident tuition. Please indicate your parents' current home address.
   If your parents are deceased, please indicate the address at which the last remaining parent lived for 12 months before death. This address will help the Graduate School confirm your residency status.

4. High School Education
   Provide the name and location, (city, state) of the high school you graduated from. This may help you establish that you are a resident of Wisconsin and therefore eligible for resident tuition. This will help the Graduate School confirm your residency status.

Section B: Personal Information

1. Social Security Number
   If you are applying for financial aid, the Social Security number is required and will be used as a means of correlating your application with other state and/or federal financial aid information. Submission of your Social Security number is voluntary if you are not applying for financial aid. A separate University I.D. number will be assigned to all students. However the advantage of supplying your Social Security number is that it provides you an easily remembered number for requesting transcripts or referencing to permanent records in future years or if your use of the financial aid system should change. If you do not have a Social Security number, you may request one at your nearest post office or Social Security Administration office. If you supply your Social Security number, the university will not disclose it or use it for purposes other than routine record keeping and institutional statistics without your written permission.

2. Date of Birth
   Provide your date of birth and indicate where (city, state or country if you are an international student) you were born.

3. Gender

4. Racial/Ethnic Heritage
   You are not required to disclose your racial/ethnic heritage. However, you are strongly encouraged to do so, since having this information will assist the UW System in providing effective programs to the heterogeneous population we seek to serve. American Indian and Alaska Natives are encouraged to enter tribal affiliation in addition to checking the appropriate category. The category Other Asian includes people with origins in the Far East, Southeast Asia and the Indian subcontinent.
   If you choose not to submit this information, your admission will not be denied nor financial aid withheld. However, the United States Department of Education requires the university to submit this information for civil rights legislation enforcement. In addition, accurate data will assist the university in the funding, development and evaluation of the programs which contribute to the cultural diversity of the campus.
   The information will be treated as confidential and will not appear on academic record cards, grade reports, class lists, or transcripts. Information about individual students will not be supplied to persons outside the UW System unless the student gives prior written consent. Within the UW System, it will be released only with the approval of the chancellor or his designee. Release of information about ethnic groups is governed by university policy.

5. Citizenship
   Check the appropriate box. Permanent Resident (immigrants) should provide their registration number. Applicants who hold citizenship from outside the United States should write in their home country.

6. Residency
   Tuition charges differ for residents and non-residents of Wisconsin. If you are not a resident of Wisconsin, your fees may be higher than those of students who are Wisconsin residents.
   For tuition purposes, residency differs from conditions established for voting, paying taxes, and so on. Please consult the Graduate Bulletin for information on resident status.
   Minnesota residents may qualify for reciprocity tuition fees by applying on-line: http://www.getreadyforcollege.org
   Questions concerning your residency status should be addressed to the Graduate School.
   Answers to questions in sections A and B of this application form will help the Graduate School confirm your residency status. If items are left blank, and there is a question on your residency, you will automatically be classified as non-resident for fee purposes.
Section C: Enrollment Information

1. Anticipated First Enrollment
   Indicates when you desire to begin your graduate study. Be sure to fill in the year.

2. Enrollment Type
   Check the appropriate box(es), several may apply. Definitions follow:
   a. Degree Program Student
      Program students are those planning to complete a master's or education specialist degree at UW-Stout.
   b. Non-Degree Seeking (Special Student)
      If you will be taking only selected graduate classes and do not intend to complete a degree or program (see above), you may enroll as a special student (non-degree seeking student). You need only complete the first page of the Application for Graduate Admission or Enrollment.
      Non-degree seeking special students now applying for a major must pay the application fee and submit supporting admission documents.
   c. Dual Level
      UW-Stout undergraduate seniors with a cumulative GPA of at least 2.75, who wish to begin graduate work while completing their last 30 credits/ year of undergraduate work are eligible to enroll dual level. The Dual Level Enrollment Statement must be completed and filed with the Application for Graduate Admission or Enrollment form. Students are subject to Graduate School regulations (refer to Graduate School Policies).
      UW-Stout Master's students, with a graduate cumulative GPA of at least 3.25, who wish to begin an Education Specialist major while completing their final semester of Master's degree work (including submission of research paper) are eligible to enroll dual level. The Dual Level Enrollment Status form must be completed and filed with the Application for Graduate Admission or Enrollment form.
      The Dual Enrollment Status forms can be found at the following website: http://www.uwstout.edu/grad/apply. html or in the Graduate School office.
   d. Changing Program
      If you are currently enrolled, but wish to change your program, you must complete a new Application for Admission form and submit necessary materials. You will not be required to pay an additional application fee, nor will it be necessary for you to submit new copies of supporting documents that are already part of your Graduate School file. Check the Graduate Bulletin for specific application requirements for the new program you are considering www.uwstout.edu/gradbulletin/.
   e. Additional Graduate Degree
      If you are enrolling for an additional master's or education specialist degree program, you must complete an additional application form and submit necessary materials, including the application fee. You will not be required to submit new copies of supporting documents that are on file in the Graduate School.
      Check the current Graduate Bulletin for specific application requirements for the new program you are considering.

Section D: For Non-Degree Seeking ‘Special’ Students Only

This section is to be filled out by non-degree seeking students only. Do not complete this section unless you checked non-degree seeking student in Section C, number 2. If you checked one of the other boxes, move on to Section E.

1. Institution
   Provide information about the highest degree you have been awarded, indicating the awarding institution, the dates you graduated, the abbreviation of the degree you were awarded (B.S., B.A., B.F.A. and so on), your major, and any minors. Your application will not be processed unless this section is completed.

Sign and date the form.
Non-degree seeking (special) students need only fill out the form this far. Please make a copy for your records, and submit the completed application to:

   Graduate School
   University of Wisconsin-Stout
   PO Box 790
   Menomonie, WI 54751-0790

Section E: Educational History For Degree Program Seeking Students Only

Provide information about your post high school education, (beginning with your most recent) indicating the institution(s) attended and their location, the dates you attended, the dates you graduated (or anticipate graduating), the abbreviation of any degree you were awarded (B.S., B.F.A. and so on), your major, and any minors.

Request one official transcript from the registrar of the school(s) where you completed your bachelor's degree and any graduate work. If the bachelor's transcript shows less than 55 semester credits, or the equivalent in other units, from that school, then one official transcript from all schools attended must be submitted. These transcripts must be submitted directly to the Graduate School before your application will be evaluated. UW-Stout transcripts need not be requested.
Section F: Graduate Programs

From the list below, select the major you intend to pursue at UW-Stout. Concentrations are indicated in italics. Note that some majors also require selection of a concentration.

* FIRM DEADLINE; all other dates are priority deadlines

Post-Baccalaureate Certifications (Non-degree)
For Application Materials contact School of Education (715) 232-4088 or visit the following website: http://www.uwstout.edu/soe/PostBacc.html

Section G: Occupational Experience
List your work experience and provide a brief description of the nature of the work. If you need more space, submit it on an extra sheet.

Section H: Educational and Professional Goals
Describe your long term educational and professional goals.

Section I: How were you introduced to the graduate programs at UW-Stout.

Section J: Signature
Sign and date the form.

Make a copy for your records, and submit the completed application to:
Graduate School
University of Wisconsin-Stout
PO Box 790
Menomonie, WI 54751-0790

Disability Disclosure
According to UW System policy on non-discrimination on the basis of disability, students requesting services have the following responsibilities: to make timely and appropriate disclosures and requests, to provide medical or other diagnostic documentation of the disability if requested by the university, and to seek funding first through the Division of Vocational Rehabilitation. If this applies to you, contact Services for Students with Disabilities directly at, 206 Bowman Hall, 715/232-2995.

This application was prepared according to best information available as of July 2008 and all information is subject to change.
