Who is eligible to sign up for this program?

YOU ARE ELIGIBLE IF

- You apply during your first term of enrollment, either fall or spring
- Your English and Mathematics placement qualifies you for enrollment into the course levels required in your declared program

In addition, prior college credit from another post-secondary institution earned while you were still in high school is allowed.

If you decide to change your major or simply cannot complete your degree program in four years, you can cancel the contract without any consequences.
How does the 4-Year Graduation Guarantee work?

The University of Wisconsin-Stout offers an optional 4-Year Graduation Guarantee for incoming freshmen.

Staff at UW-Stout will work with you to set up the courses needed to meet the requirements of your program/major. If a course is not available, the university will arrange a substitute course so that you can stay on track.

There are many benefits to earning your degree in four years, including

- Entering the workforce or moving on to graduate school sooner
- Experiencing all that UW-Stout has to offer, including internships/co-ops and studying abroad

With the 4-Year Graduation Guarantee you will

- Work closely with your adviser, who will provide information on how to complete your degree in four years
- Work with your program director, who will provide a program plan sheet and suggested eight-semester sequence to be used as a guide
- Carefully plan your course schedule, one semester at a time
- Have a general plan for your entire four years

Deadline to apply

If you are interested in signing up for the 4-Year Graduation Guarantee, visit www.uwstout.edu/guarantee, complete the contract and return it to the Advisement Center by the 10th day of classes of your first term of enrollment.
