How to find the Safety and Risk Management website

In the top ribbon select the last option “Logins”.

Under “Campus” select “Stout Intranet”.

Enter your Username and Password, select LOGIN.
Select “Directories” from the top ribbon.

Under Offices, select “Offices and Departments”.

Select “S” then on the top of the list select Safety and Risk Management.
In the left column, select Safety & Risk Intranet.

You may select any of the gray areas in the left column or any of the blue areas under safety tips.
