Temporary Mathematics Teaching Positions
Mathematics, Statistics and Computer Science Department
University of Wisconsin-Stout

**Positions:** The department occasionally has a need for adjunct instructors to teach sections of General Education courses in Mathematics or Statistics. These courses include Intermediate Algebra, Concepts of Mathematics, Introductory College Mathematics I, Introductory College Mathematics II, Finite Mathematics, and Elementary Statistics. These positions are generally filled one to three months before the start of a semester.

**Minimal Qualifications:** Master’s degree in Mathematics, Mathematics Education, Statistics, or related area.

**The University:** A member of the University of Wisconsin System, UW-Stout has 8,000 students enrolled in 20 graduate and 40 undergraduate programs. The university is located in Menomonie, situated in northwestern Wisconsin, 60 minutes east of Minneapolis-St. Paul on Interstate 94. Located in the scenic Chippewa Valley Region with a population base of more than 200,000, Menomonie is a city of 15,000 surrounded by lakes, streams and woods. For more information, see [http://www.uwstout.edu](http://www.uwstout.edu)

**The Department:** The Mathematics, Statistics & Computer Science Department received the 2008 University of Wisconsin System Regents Teaching Excellence Award for Academic Departments and Programs. It has 25 full-time members, a strong tradition of excellence in teaching, and a growing program of scholarship and research in mathematics, computer science, statistics, and related areas. The department offers all the core courses necessary for the University's program in Applied Mathematics & Computer Science program which enrolls approximately 150 students. It also provides service courses for the various programs within the University. The department is currently developing a Master’s Degree in Industrial and Applied Mathematics. Department members have been active in incorporating technology into their courses. For more information, see [http://www.uwstout.edu/mscs/](http://www.uwstout.edu/mscs/)

**To Apply:** To be considered for opportunities which may arise, submit
- Letter of interest, including
  - the years and semesters you would be interested in teaching,
  - the courses you would be interested in teaching, and
  - your experience using technology in the classroom;
- Vita, including the names and contact information of three (3) references;
- Statement of Teaching Philosophy; and
- Copies of undergraduate and graduate transcripts

to Dr. Chris Bendel, Chair, Mathematics, Statistics, and Computer Science Department:

**U.S. Mail:**  
Dr. Chris Bendel  
MSCS Department  
231 Jarvis Hall Science Wing  
UW-Stout  
Menomonie, WI 54751

**Email:** bendelc@uwstout.edu
