

BS Early Childhood Education

Degree Completion Program for Head Start Teachers in Northern Wisconsin
Offered by University of Wisconsin-Stout

With the federal legislation mandate requiring Head Start teachers to earn their bachelor's degree by 2013, University of Wisconsin-Stout is meeting a critical need by bringing their nationally recognized Early Childhood Education degree program to Head Start teachers living in Northern Wisconsin starting in 2009. Courses will be offered in a convenient, accessible way to allow for degree completion while working full-time. UW-Stout's Early Childhood Education program prepares instructors to teach in a variety of settings including infant toddler, preschool, kindergarten and primary grades 1 through 3.

Program Benefits

- Program designed for working adults with convenient course delivery options.
- Complete a BS in Early Childhood Education to:
 - ~ Qualify for your DPI License # 777.
 - ~ Increase your job security.
 - ~ Meet federal Head Start mandates by 2013.
- Courses delivered by experienced faculty.
- Laptop computers provided for all degree-seeking students.
- Financial aid may be available.
- Enjoy full access to UW-Stout Library online databases.

Starting in Spring 2009 ... Apply Today

Three courses will be offered in the Spring 2009 term, starting in January. Degree-seeking students will need to submit an application for admission, followed by course registration. Courses taken for professional development purposes only require course registration. Financial aid may also be available for degree-seeking students taking at least 6 undergraduate credits per term. See back for details.

WISCONSIN'S POLYTECHNIC UNIVERSITY

Convenient Course Delivery

After an initial orientation session at the UW-Stout campus, all course work will be delivered in a variety of formats at Lac Courte Oreilles Community College (LCO).

Some courses will be offered on site and others will be delivered through interactive television (ITV), online or through a hybrid combination.

UW-Stout will deliver 70 to 100 credits over the next five years, with some general education courses delivered by LCO. For specific credit offerings, please visit our Web site listed below.

Tuition

Currently, one undergraduate credit is \$252.80 and the tuition rates are reviewed annually.

How To Apply

To apply, visit: admissions.uwstout.edu and complete the online application. Please indicate Northern Wisconsin group on your application.

Laptop Access

All degree-seeking students will be deployed a laptop when enrolled for one or more eligible credits. All distance learners and off-campus students must come to campus to pick up and return the laptop if they choose to take advantage of this option.

Financial Aid

Participants in this BS Early Childhood Education program may qualify for financial aid through the UW-Stout Financial Aid Office. Degree-seeking students must maintain a minimum of 6 undergraduate credits per term and submit an application. For more information, please visit the financial aid Web site at www.uwstout.edu/finaid.

To apply for financial aid, file a FAFSA (Free Application for Federal Student Aid) at www.fafsa.ed.gov. Be sure to list University of Wisconsin-Stout so that your results will automatically be sent to our university.
