

## About the Program Director

**Dr. Amy Gillett**

Dr. Gillett has been a teacher/educator since 1977. Her background includes a Music Education undergraduate degree from St. Cloud State College, a Special Education master's degree from St. Cloud State University, and Teacher Education doctoral degree from the University of North Dakota, where she triple majored in Elementary Education, Special Education, and Measurement and Statistics. Dr. Gillett has taught in higher education since 1985. She came to UW-Stout in 1990. Her roles on campus have varied from program directorship (undergraduate and graduate programs) to being Chair of the department. She has taught numerous undergraduate and graduate courses over her tenure at UW-Stout. Dr. Gillett is the lead educator for the two research courses, Introduction to Educational Research and Research Foundations.

Dr. Gillett has been awarded Graduate Educator of the Year (1991, 2000) and the Jax Excellence in Teaching award (2004, 2006). She is dedicated to her career at UW-Stout and her responsibilities of teaching, research, and service.

## ONLINE

University of Wisconsin-Stout's 30-credit masters degree is designed for both currently practicing and certified K-12 teachers who are interested in pursuing professional development goals and practitioners whose career goals include teaching/training at the adult level.

### Benefits:

- No travel to campus is required
- Choose coursework to match your professional development goals
- Complete Reading Teacher Certification or the E-Learning and Online Teaching Graduate Certificate in lieu of the individualized professional development concentration
- Teachers from all over the world are enrolled in this program

### Program Highlights

- Begin your degree program in the Fall or Spring
- Enroll in 2 classes per semester (approximately 5-6 credits) and graduate in two years with an MS in Education
- Core courses taught by full-time faculty
- Culminating research project includes options of: a traditional research paper, a research grant proposal, or a program evaluation

### Financial Aid:

If you are interested in financial aid, file a FAFSA (Free Application for Federal Student Aid) at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). Be sure to list University of Wisconsin-Stout so that your results will automatically be sent to our university.

Graduate students who are registered for at least 5 credits a semester in the program may qualify for financial aid.
