RE: 2015-16 Academic Plan

With this memo, I am approving the 2015-16 Academic Plan submitted by you and charging you to implement the items in the plan. Please note that the plan has been revised based on feedback from the Strategic Planning Group and Chancellor’s Cabinet. This is one of 10 action plans to achieve the FOCUS 2020 goals.

You will receive a request from the PARQ office for a status update on the progress of the items in this plan. These updates will be due on December 16, 2015 and May 2, 2016. You will also be asked to present your 6-month update at a Strategic Planning Group meeting.

Thank you for your important work in achieving the FOCUS 2020 goals.
Please use this template to identify your 3-5 FOCUS 2020 action items for this university action plan. If any lines are already completed, these are tasks that I am charging you to complete as part of this action plan in 2015-16. You may submit a total of 3-5 items, including any that have already been filled in.
