Activity Network Diagram or PERT Chart Example: Develop and Mail Conference Brochure Subsystem

Key:
- **Task Name**
- **Early Start**
- **Duration**
- **Early Finish**
- **Late Start**
- **Late Finish**

Float = Late Start - Early Start

Path A:  
Path B:  
Path C:  
Path D: 24 Days  
Path E: 24 Days

[The critical path = the longest time through the process = the earliest that the project will be completed. No “float” days.]
