Indicator #21: Energy Efficiency

The following indicator demonstrates energy usage at UW-Stout over the past six years. UW-Stout was the lowest in energy usage of the UW Comprehensive institutions until 2009-10 where it was 2nd lowest. Stout has remained 2nd lowest in 2010-11, 2011-12 and 2012-13. UW-Stout has met the target.

Source: WI Dept of Administration, Division of Facilities

The goal is to remain #1 or #2 in the overall ranking of UW System campuses.
