

Applied Science Pre-Veterinary

Veterinary school is just one of many career options with a degree in Applied Science. UW-Stout's Applied Science program provides everything needed to enter veterinary school. Veterinary schools are competitive and look for well-rounded students. Check out other schools through the Association of American Veterinary Medical Colleges at www.aavmc.org.

Semesters Required for Entrance Into Veterinary School

UW-Stout courses to fulfill requirements for entrance into veterinary school*

	Biology BIO-135,136	Microbiology BIO-306	Physiology and Anatomy BIO-234 Bio-362	Genetics BIO-332	Zoology BIO-252	General Chem CHEM-135,136	Organic Chemistry CHEM-201	Biochemistry CHEM-311	Physics PHYS-241 242	Math MATH-153	Statistics STAT-320	Food/Nutrition FN-212
University of Minnesota-Twin Cities	1	1		1	1	2	1	1	2	1		
University of Wisconsin-Madison	1			1		1	1**	1	1		1	
Iowa State University	2		1	1		2	2	1	1			
Michigan State	2			1		1	2	1	2	1		1

*This is a general guideline that is subject to change.

** Either/Or

Admission Statistics

	University Of MN	University of WI	Iowa State	Michigan State
Number Applied	1033	1145		912
Number Accepted	100	80	120	108
Average GPA	3.58	3.56	3.56	3.69
Average GRE	1190	1227	1140	1176

Important Factors to Consider

Internship: The Applied Science program requires an internship to graduate, so students interested in veterinary school should seek an experience in that field.

Volunteer Experience: It is recommended that students show an interest in the veterinary profession through volunteer experiences within the community.

Research: Research experiences are provided to enhance a student's professional development. Students should seek out research activities early on to provide opportunities to publish peer-reviewed papers and present at regional and national meetings.

Testing- GRE The Graduate Record Examination measures verbal reasoning, quantitative reasoning, and analytical writing skills. More information on the GRE can be found at www.ets.org.
