

Construction Program Mission Statement

The mission of the UW-Stout construction program is to provide students with a quality career-oriented education in which they will understand and participate in the construction process. Students will be employable upon graduation in entry-level construction management positions relating to the major sectors of the construction industry.

Adopted Oct. 14, 2005 by Construction Faculty

CODE OF ETHICS

CONSTRUCTION PROGRAM, UNIVERSITY OF WISCONSIN-STOUT

Believing that honesty integrity, high ideals and concern for the welfare of the construction industry and the built environment are desirable and necessary, and in an effort to promote the mission of the Construction Program:

- A student shall establish and maintain high standards of conduct.
- A student shall conduct himself/herself in a manner to promote dignity and respect of self and others.
- A student shall maintain high ideals of personal honor.
- A student shall act with fairness, courtesy, and good faith to their fellow students, instructors, and community.
