1. Academic Background. (Write a summary of your academic experience; please include degrees currently held as well as those you are working towards.)

2. Describe work experiences you have had that are relevant to this degree. Include paid and volunteer work. Please include dates of service.

3. The master’s degree in Family Studies and Human Development is a summer cohort program. This means
that you would be taking the core courses during three successive summers with the same group of students. These courses are offered in an intensive two-week format during the middle two weeks of July.

If accepted into this program, would you be able to commit to taking the curriculum core (a total of 15 credits) over the next three summer sessions? If No, please explain.

_____ Yes  _____ No (explain)

4. Please attach to this application a statement describing your reasons for wanting to pursue this degree and attributes that you believe will help you succeed in this program. This statement should be typed, double-spaced, and approximately 500 words in length.

5. Identify three (3) individuals to whom you will be sending the enclosed recommendation forms. We encourage you to include individuals who are familiar with your academic competencies and/or your professional experiences. Please include their contact information (mailing address, email address, and phone number).

a.

b.

c.
