SUBJECT: 2002 Summer Session Preliminary Enrollment Report

Enclosed is the third enrollment report for the 2002 Summer Session. The information in this report reflects all registration activity through Friday, July 19, 2002.

Enrollments continue to look good for the current Summer Session, however, the figures have leveled off a some. As grade rosters and "Never Attended" students are processed, this generally occurs every summer. Compared to this same time period last year, total headcount (+3.8%), FTE (+8.0%), and total credit hours (+8.5%) are all showing encouraging gains. Due to continued grading and clean-ups, enrollments will most likely decrease between now and the official CDR submit. Please refer to page 3 for this historical trend.

The next report for the 2001 Summer Session will be available approximately early September after our official enrollments have been reported to UW-System. If you have any questions, feel free to contact me at kirschlingj@uwstout.edu or x2121.
