FROM: Jeff Kirschling, Registrar

SUBJECT: WinTerm 2004 Session Preliminary Enrollment Report

Enclosed is the first preliminary enrollment report for the 2004 WinTerm Session, which is reflective of all registration activities through December 25, 2002.

At the current time, enrollments for the upcoming WinTerm Session appear to be very consistent to figures this same time last year. Total headcount (+24 or + 2.3%), total FTE (+2 or +.9%), and total credit hours (+30 or +1.1%) are all showing slight increases.

The next report will be available in early January when the WinTerm session officially begins. Add/drop activity for the WinTerm session continues to remain somewhat active so the figures will continue to change slightly for the next few weeks. If you have any questions, feel free to contact me at kirschlingj@uwstout.edu or x2121.
