SUBJECT: Spring 2005 Semester Preliminary Enrollment Report

Enclosed is the first enrollment report for the Spring 2005 Semester. The information in this report reflects all registration activity through January 24, 2005 and includes all drop/adds processed through the first day of classes. Business in the office has been active so many students have been adjusting their schedules.

At this time we are behind enrollments from this same time last year. However we are a bit closer to our target figures (92.5% of Fall 2004). Compared to this same time period last year, total headcount (- 3.19 %), FTE enrollment (- 3.14 %), and total credit hours (- 3.24 %) are all showing decreases. However, current enrollments remain closer to our targets – total headcount (- .93 %), FTE enrollment (- 1.07 %) and total credit hours (- 1.12 %). See the last page of this report for these target figures and our current laptop student figures.

The next enrollment report will be available after our fifth day of classes on January 31, 2005. If you have any questions, feel free to contact me at kirschlingj@uwstout.edu or x2121.
