SUBJECT: 2003 Summer Session Preliminary Enrollment Report

Enclosed is the third enrollment report for the 2003 Summer Semester. The information in this report reflects all registration activity through Friday, July 11 2003. This also marks the beginning of the second four-week session

Summer enrollments continue to be slightly behind last year's figures. Compared to this same time last year, we are seeing decreases in total headcount (-4.38 %), FTE enrollment (-2.00 %), and total credit hours (-1.97 %). Students continue to carry a larger credit load compared to last year (+ 2.53%).

The next report for the 2003 Summer Session will be available early September after our official CDR has been reported to UW-System. If you have any questions, feel free to contact me at [kirschlingj@uwstout.edu](mailto:kirschlingj@uwstout.edu) or x2121.
