Searching for Courses in Access Stout

Step 1: Navigate to Access Stout and select click on the “Search for Classes” link.

Step 2: Select the term you wish to search in.

Step 3: Select the subject (This example will search for an English 101 course.)
Step 4: Enter the course number of the class you are looking for. *If you do not know the course number, or wish to view all of the courses in the subject, simply leave this field blank.*

Step 5: Select your career of study (*Graduate or Undergraduate.*)

Step 6: If you wish to view all of the courses that are available regardless of enrollment status, de-select the “Show Open Classes Only” checkbox.
Step 7: Scroll down and click “Search.”

Step 8: To view more courses, click on the “Show next row” arrow to the upper right of the course list.

Step 9: To begin a new search, simply click on “Start A New Search.”
