MEN'S TRACK & FIELD

The Blue Devils will wrap up the season this weekend when they compete at the NCAA Division III Championships at St. Lawrence University in Canton, N.Y. **Nate Templer (Jr, Beaver Dam)** has qualified automatically to the meet in the 200-meter dash, and, in all likelihood, will qualify in the 100 and as a member of the 4X100-meter relay team along with **Sam Werner (Jr, Elk Mound)**, **Brady Hurtgen (So, Ridgland)** and **Joe Seep (Fr, Reedsburg)**. Preliminaries for the 200 and relay are Thursday, May 22. Preliminaries for the 100 are Friday, May 23. Finals for all three events are Saturday, May 24. Pole vaulter **Lewis Cassellius (Jr, Glenwood City)** is on the bubble as far as advancing to the meet. The pole vault is scheduled for May 23. The qualifiers will be announced late Monday, May 19. **Last week:** The Blue Devils were at the St. Thomas NCAA Qualifier, May 16.

ERIN O'CONNELL PICKED TO ALL-AMERICA THIRD TEAM

MENOMONIE - UW-Stout first baseman **Erin O'Connell (So, Altoona)** was named to the Louisville Slugger/National Fastpitch Coaches Association (NFCA) Division III All-America third team.

O'Connell, a first team all-Wisconsin Intercollegiate Athletic Conference (WIAC) pick, led the conference in home runs demolishing the previous record of 10 by finishing with 15. O'Connell presently has 17 career home runs, tying her for the school career record. O'Connell, who batted in the fourth spot most of the season, posted a slugging percentage of .950, and batted a team-high .407 (44-108). O'Connell racked up 39 runs batted in, and tacked on six doubles and three triples. O'Connell was nearly flawless in the field, committing only three errors in 386 chances for a single season school record fielding percentage of .992.

"Erin is the type of player you only hope would get this award," Blue Devil coach Chris Stainer said. "She demonstrates dedication and hard work not just during the fall and spring seasons, but rather throughout the entire year. Last year Erin was a freshmen with a lot of potential, and it is sometimes very difficult for freshmen to adjust to the better pitchers - not so much the speed, but rather the breaking balls. At the collegiate level the pitchers are better at hitting locations off the plate - so the hitters have to learn to adjust to hitting a more difficult pitch for quality. Erin has worked very diligently to adjust to this over the last 12 months. She has taken the pitches that were most often thrown to her last season, and she repeatedly worked at hitting them for quality. Her hard work in the weight room has also improved her strength and in combination with her discipline on pitches - she has maximized her abilities at the plate."

Forty-five players were named to the first, second and third teams. The awards were announced Thursday, May 15 at the banquet prior to the NCAA Division III Softball National Championship in Salem, Va. All three teams were selected by NFCA-member NCAA Division III coaching representatives, based on nominations from the 2003 season. O'Connell was joined on the All-America team by two other WIAC-member players, Sarah Tarasewicz of UW-Superior, first team, and Jill Van Wychen of UW-Stevens Point, second team.

SARA JENSEN NAMED TO ALL-ACADEMIC TEAM

MENOMONIE - UW-Stout's **Sara Jensen (Sr, Eau Claire)** was named to the second team of the 2003 Verizon/CoSIDA Academic All-District Five College Division Softball team.

Jensen, an early childhood education major with a grade point average of 3.867, was one of the Blue Devils' team captains for 2003. Jensen, a three year player for Stout, was a National Fastpitch Coaches Association (NFCA) All-America Scholar in 2002 and has been named to the Wisconsin Intercollegiate Athletic Conference (WIAC) honor roll three times.

Jensen has volunteered her time to work with students in several of the Menomonie area elementary schools and with the local Title 1 program. Jensen saw action in 32 games as an outfielder or designated player, hitting .173.
