WURHA 2010

70% Water, But 100% Leader

Dear Future Delegate,

Congratulations! You are about to apply for one of the best leadership conferences Residence Life has to offer, WURHA!

Wondering what WURHA is? WURHA is the Wisconsin United Residence Hall Association, a student-run organization working to promote and improve student life on college and university campuses across Wisconsin. This group is primarily focused on providing quality programming and activities for on-campus residents that will make their college experience a positive one. This year's conference, is hosted by The University of Wisconsin Eau Claire, and features great volunteer opportunities, excellent programs, and a night of fun and games at Action City and Chaos Water Park, at the Metropolis Hotel.

Attending WURHA is your chance to get involved on campus and make connections to students across Wisconsin. WURHA offers opportunities for you to expand your horizons, develop your leadership, and have some fun!

After you have been selected for the conference there will be required meetings that you must attend to prepare for the conference. These meetings will cover topics necessary to prepare for the conference.

As there is a delegation cap for this conference, you will be notified by December 1st if you have been accepted.

If you have any questions about conferences, the application, or anything related to HEC, RHA, or WURHA; please e-mail me at kingt@uwstout.edu or stop by the RHA office 171 Price Commons. I would be happy to answer any of your questions.

Sincerely,

Trey King
