

UW-Stout Student Organization Web Site Request Form

Student organizations that are officially recognized by the university may post their web sites on Stout's central server. To arrange for access to your folder on the server, organizations must **print and complete this form, have your advisor sign it, and return it to Room 212 Millennium Hall.**

After the form has been submitted and the status of your organization has been verified, you will receive an email with instructions for logging on to the server and uploading your web pages.

All organizations that have a website will be linked from the student organization web site at <http://www.uwstout.edu/student/>.
