Wisconsin GI Bill – Benefits Processing / Late Fees and Finance Charges

Paperwork Required:
- Veteran Benefits Worksheet - Must be completed each term
- WDVA 2031 – Approval letter
- WDVA 2029 – Application to use the benefit at UW-Stout
- Dependents/Spouses only: Applicable documentation to show relationship to veteran

Provided a student submits the paperwork listed above to the Veteran Services office, UW-Stout will apply a Wisconsin GI Bill waiver to the student’s financial account. This generally occurs prior to the initial tuition and fees due date. However, the waiver cannot be applied until all paperwork is submitted. If the paperwork is submitted after the tuition/fees due date, the student is responsible for any late fees and/or finance charges assessed.

What does the Wisconsin GI Bill Cover?
The Wisconsin GI Bill will waive the following tuition and fees costs:
- Wisconsin Undergraduate and Graduate Resident Tuition (or equivalent costs)
- Customized Instruction Tuition
- Segregated Fees

**Effective Fall 2015, the Wisconsin GI Bill can no longer be used to cover the cost of textbook rental fees or eStout (laptop) fees.

Study Abroad – Each study abroad program varies; contact Veteran Services for more information.

The Wisconsin GI Bill does not waive any other costs. All students are responsible for paying the balance of their accounts, regardless of the benefits they may be using.

About the Wisconsin GI Bill waiver
The waiver may or may not cover all the charges on an account. If a balance remains on the account after the Wisconsin GI Bill is applied or a balance remains due to paperwork being submitted after the tuition due date, the student is responsible for any late fees and/or finance charges.

The waiver does not act as a payment! It only reduces the cost of tuition and fees owed. Any “Due Now” balance MUST be paid to avoid possible late fees and/or finance charges. All students are advised to watch their financial account in AccessStout. Due dates can be found online at http://www.uwstout.edu/stubus/.
