Wisconsin National Guard Tuition Grant – Benefits Processing / Financial Procedures

Paperwork Required:
- DMA 189E – The Wisconsin National Guard Tuition Grant application (DMA-189E) must be submitted each semester a student is seeking reimbursement.

Veteran Services will complete the school portion of the application and send it to the Wisconsin Department of Military Affairs (DMA) for processing. This typically occurs 1-2 weeks after a semester has ended. Please note that the DMA-189E must be received by the DMA no later than 90 days after the semester.

Any incomplete grades must be satisfactorily completed within one year of the course end date to be reimbursed.

What does the Wisconsin National Guard Tuition Grant cover?
The tuition grant will reimburse the cost of tuition only. Reimbursement is based on the resident tuition rate. MN-Reciprocity, Midwest Exchange, Return to WI, and Non-resident tuition rates will be reimbursed at the WI Resident rate. Customized Instruction courses can be fully reimbursed.

The Wisconsin National Guard Tuition Grant will not reimburse:
- Segregated fees
- eStout (laptop lease) fees
- Textbook rental fees
- Course specific costs
- Other fees or costs not outlined as covered in the above section

How does the tuition grant affect your UW-Stout financial account?
Tuition reimbursement is contingent on successfully completing courses, maintaining a term GPA of 2.0 or higher, and other factors. Because of this, tuition reimbursement is not a guaranteed benefit.

UW-Stout requires all students to cover tuition costs up-front. Any “Due Now” balance MUST be paid to avoid possible late fees and/or finance charges. All students are advised to watch their financial account in AccessStout. Due dates can be found online at http://www.uwstout.edu/stubus/.
