9:45-11:45 Engagement Sessions

Three topics to be discussed in the small groups:

- **FIRST TOPIC: DIVERSITY**
  - **Topic:** UW-Stout embraces diversity, equity, inclusion and intercultural competence as an integral part of the university community.
  - **Questions:**
    - Why is this topic important to you as an individual; to UW-Stout as an institution; and the broader community?
    - What can you do as a member of the UW-Stout community to foster diversity and an inclusive environment?
    - How do we engage the community?
    - What collaborative efforts do you see contributing to the success of this initiative?

- **SECOND TOPIC: PROFESSIONAL DEVELOPMENT**
  - **Topic:** Foster an environment where each person’s potential is maximized and opportunities for learning are promoted for all employees who contribute to a strong and sustainable UW-Stout.
  - **Questions:**
    - What skills and abilities do you need to secure the future of UW-Stout?
    - What learning opportunities would develop these skills and abilities?
    - How do we ensure all faculty and staff participate in these learning opportunities?
    - What collaborative efforts do you see contributing to the success of this initiative?

- **THIRD TOPIC: VALUE OF STOUT**
  - **Topic:** Enhance understanding of the value and impact of UW-Stout.
  - **Questions:**
    - How can you as an individual communicate the value and impact of UW-Stout?
    - What information do you need to advocate for UW-Stout?
    - What do you believe the impact and value of UW-Stout is to your community? Provide personal examples.
    - What collaborative efforts do you see contributing to the success of this initiative?
