

HOW TO JOIN THE UW-STOUT VISIONING SESSION

VIA ZOOM

Due to COVID-19, the July 21 UW-Stout Visioning Session will take place via the Zoom virtual-meeting application. You already received an [invitation](#) with a [link to join the meeting](#); but there are several ways for you to launch Zoom; these include:

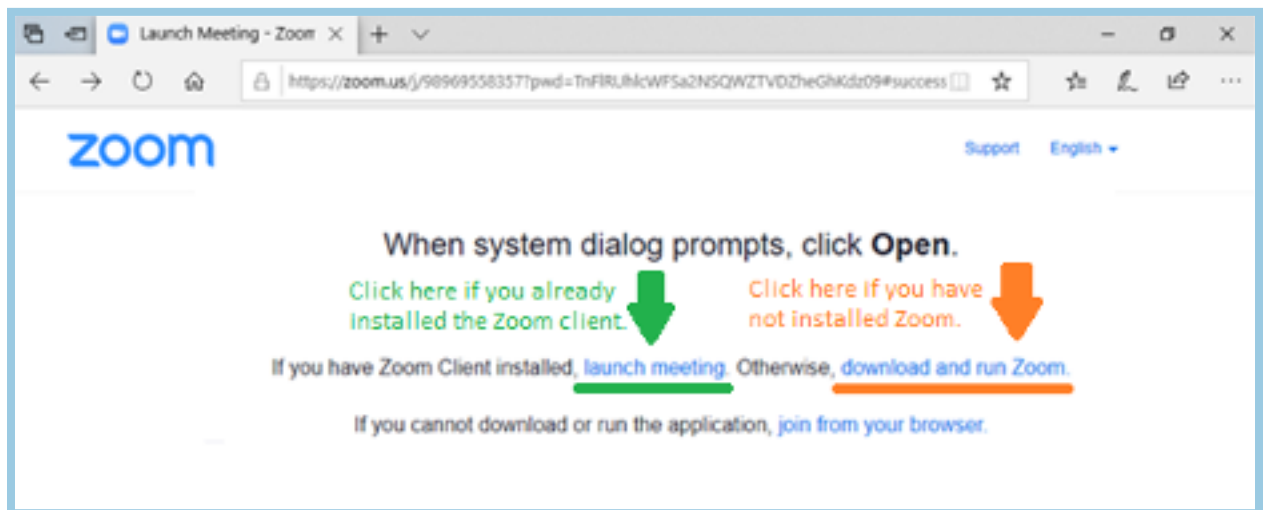

1.

Via the **Zoom client**, which you can [download](#) prior to the meeting or download when prompted as you join the meeting (see image below). The download/install takes 1 or 2 minutes.

2.

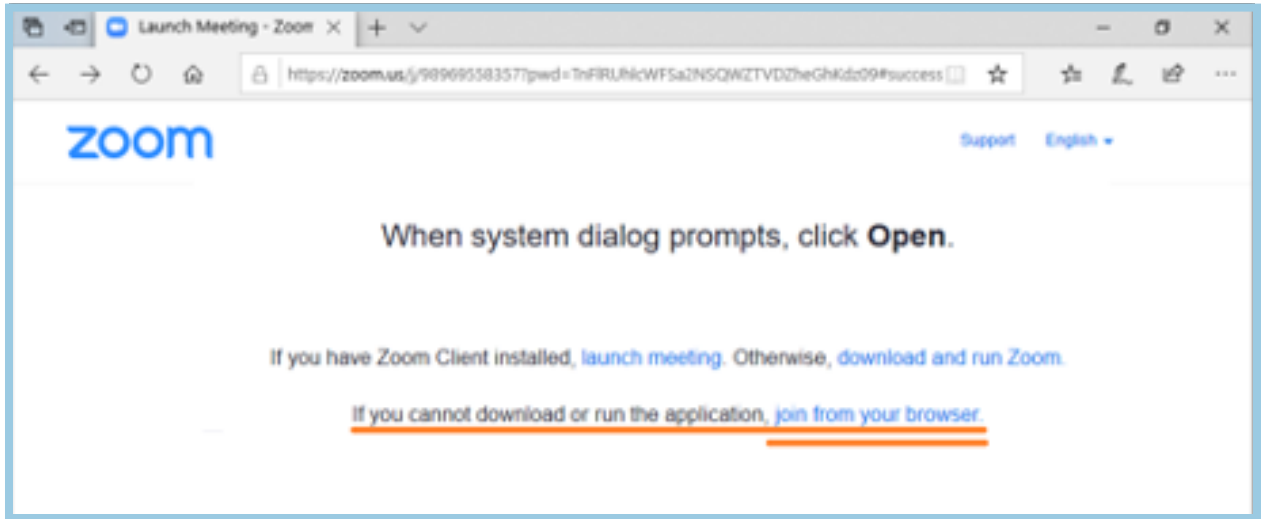

Via the **Zoom mobile app**, which you [download](#) & install on your mobile device, such as iPad, iPhone, or Android device.

3.

Via a Zoom-supported **web browser**:

- On some browsers (such as Chrome, Safari, Firefox—but not Internet Explorer), you can simply click “join from your browser” when you attempt to join the meeting, as shown in the following image:

- Alternatively, you can join the meeting by taking the following steps on most browsers:

1. Go to join.zoom.us in your web browser.
2. Enter the meeting ID, which is 914 3520 7441.
3. When prompted, enter the password, which is 393072.

Note: You may be asked to confirm you are not a robot.

To ensure you can join a Zoom meeting prior to the Visioning Session, consider **joining a test meeting** at <https://zoom.us/test>.

Note: In most test meetings, Zoom will launch to a black screen with no other participants.
