UNIVERSITY DINING**

UNIVERSITY OWNED AND OPERATED

UW-Stout Dining is self-operated. This means the University owns and operates the service rather than contracting out to a third party. Self-operation guarantees you the best return on your dining dollar and a responsive staff that is genuinely dedicated to enhancing your campus dining experience.

University Dining is an integral part of the student life experience. All operations strive to provide enjoyable dining and social experiences as well as a valuable learning opportunity for our student employees.

MISSION STATEMENT

University Dining Service is a diverse team dedicated to providing quality food and excellent service in a fiscally responsible manner. As leaders in the industry, we strive to exceed customer expectations by offering value, convenience, and enjoyable dining experiences for the University Community. We promote career enhancement and support the educational mission of the University.

OFF CAMPUS STUDENT

Living off campus? University Dining offers two great options for off campus students that make dining on campus easy and enjoyable.

ON CAMPUS STUDENTS

Dining Dollars

We created the Dining Dollars Plan for you to get the most out of your dining experience at UW-Stout. The Dining Dollars Plan is for students living on campus in the residence halls. The plan offers many choices and students are free to choose the one that best fits their needs.

For prices and to learn more visit:

UWSTOUT.EDU/DINING

UNDERSTANDING THE DINING DOLLARS PLAN COST

THERE ARE TWO PARTS TO THE DINING DOLLARS PLAN:

DINING DOLLARS

The Dining Dollars are the funds deposited onto your Stout BlueCard. Dining Dollars are accepted at all dining locations. However, you will get the most value from your plan by dining at Commons Cafeteria or North Point Cafeteria. In these locations, you will pay only Dining Dollars cafeteria prices and receive one entrée, unlimited sides, salad bar, beverages, and desserts per visit.

BOARD FEE

The Board Fee is a fee paid each semester by all students on the Dining Dollars Plan. This fee pays for operating costs such as utilities, labor, supplies, maintenance, and insurance in our cafeteria locations. The Board Fee pays for everything, other than food, required to operate Commons and North Point Cafeterias.

WHERE CAN YOU USE YOUR DINING DOLLARS PLAN?

You can use your Dining Dollars at any dining location on campus. You'll get the most value from your Dining Dollars by dining in the cafeterias.

HOW ARE PURCHASES MADE WITH THE DINING DOLLARS PLAN?

Dining Dollars are accessible through your Stout BlueCard. Your Dining Dollars Plan account balance can be checked online, at a deposit station, or in person at the Campus Card Office. Dining Dollars balance and Campus Cash balance will be combined and displayed each time a purchase is made. This allows you to easily track the amount of funds left in your account.

With the Dining Dollars Plan, your Stout BlueCard is your method of payment to get Dining Dollars pricing. If your Stout BlueCard is not with you at time of checkout, alternative payment (debit or credit card) will be required and you will pay full cash price.

CAMPUS CASH

Campus Cash is an additional debit account which is comprised of money that has been directly added to this account.

WHAT TO KNOW ABOUT CAMPUS CASH:

- + An additional debit account that is used for other campus purchases.
- + You choose how much to deposit.
- + Works as an automatic back-up to Dining Dollars. Dining Dollars Plan holders always receive Dining Dollars pricing in cafeterias even when paying with Campus Cash funds.
