

OFF SITE CATERING POLICIES

Side 1

The following guidelines and policies will assist you in planning your event. Please read these carefully and contact the University Catering at 715.232.3463 with any questions or concerns prior to your special event.

MENU PLANNING & ORDERING DETAILS

1. The client will meet with the University Catering Manager at least four weeks prior to the scheduled event to discuss menu and dining service details.
2. Buffets and other special menus require a minimum number of people.
3. A service time of day must be set up for the catered items/meal four weeks prior to the event. If client requests a delay in a service on event day the quality of the food may be impacted and a late service change may be applied.
4. Prices listed on menus are subject to change without notice, however, a client's prices quoted in writing more than 60 days prior to a confirmed event will be held at the quoted price.
5. We plan your events so that there will be minimum food left. For health and safety reasons, no food or beverages (carry-ins) are permitted from outside vendors with the exception of special event cakes. No food or beverage may leave the premises. Buffet meals will be maintained for no longer than 1 1/2 hours unless arrangements are made in advance. No leftover food can be taken after event.

COUNTS & DUE DATES

1. An attendance estimate must be given at least four weeks prior to the event date. Any time that there is a substantial change (+/- 20%) in the count (increase or decrease), the Catering Manager should be notified immediately.
2. University Catering must have a guaranteed number of persons attending the event at least three working days prior to the date of the function (some menu items require more than a three-day notice).
3. University Catering prepares food, and sets the dining room, for the guaranteed number. If University Catering receives no number guarantee, the last estimate given will be used as the guaranteed number. If the actual guest count exceeds the guaranteed number, every effort will be made to accommodate the additional guests. A service charge may be assessed for additional guests after the three-day guarantee period.
4. Charges for cancellations will be left to the discretion of University Catering. Any costs incurred as a result of preparation will be charged to the client.

BILLING & PAYMENT

1. The client is financially responsible for the guaranteed number or the actual number served, whichever is greater. Charges will be invoiced following the event.
2. State and local sales taxes will be added to all appropriate items. Payment is due upon receipt of the bill. On past due billings of 30 days, a 1.5% per month interest charge will be added.
3. A catering deposit equal to 50% of the estimated total bill may be required four weeks prior to the event. Deposits will be credited to the final invoice. Additional charges incurred during the event will be reflected on the final invoice. For questions about this policy, contact the Catering Manager if the event is being held off the campus.
4. Customers external to the university who utilize University Catering would be subject to a 10% service charge applied to the total of their catering charges for food, beverage and host bar sales. External customers include any client not paying for the event with university funds. University Catering excludes cafeteria-style meals served for camps and conferences. If a client had both cafeteria and catered meals/services, only those charges outside the cafeteria-style meals would have the service charge applied.
